FOR IMMEDIATE RELEASE
February is Safely Surrendered Baby Awareness Month in Kern County

(Bakersfield, CA) – On February 6, 2024, the Kern County Board of Supervisors will proclaim February, Safely Surrendered Baby Awareness Month in Kern County. Additionally, the Safely Surrendered Baby (SSB) Coalition is holding a live Press Conference on Wednesday, February 7, 2024 at 10:30 a.m. at Kern County Fire Station #65 located at 10051 Meacham Road, Bakersfield, CA 93312.

Since 2008, there have been 98 babies safely surrendered in Kern County, including three in 2023.

The Safe Surrender Baby Law responds to the situation of newborn infant deaths due to abandonment in unsafe locations. First signed into law in January 2001, the Safely Surrender Baby Law became permanent in 2006. The law's intent is to save the lives of newborn infants at risk of abandonment by encouraging parents or persons with lawful custody to safely surrender the infant within 72 hours of birth, with no questions asked. The law exists so that these infants will not be harmed because the mother abandons them, or fails to provide them with care, sometimes leaving them to die.

Available data for the state of California, indicates a generally decreasing trend of abandonments since enactment of the SSB Law in California, from 25 cases in 2002 to five or less cases per year since 2010, representing a decrease of at least 80%.
